

**A MEMORIAL FOR EILEEN**

**(On her passing 3-22-2022)**

*O Death,  
You thief of the night  
One breath,  
Took Eileen's soul to flight.*

*On Angels wings,  
She flew  
To begin her life  
A new...*

*In God's grace  
A new resting place...  
A Heavenly home,  
Never to be alone.*

*Her life was filled with joys and some strife, and  
It was filled with sweetness with few sorrows.*

*That life is over and gone now,  
Those days for you, my dear Eileen  
are no more...  
With no new (worries or) tomorrows.*

*And on days still to come,  
We will remember the joys  
And not the sorrows, and  
We shall remember the happiness  
You would bring to us all...  
With one of your sweet smiles.*

*May you rest in peace now dear Eileen  
In God's heavenly graces forevermore. Amen*
